Steamer Landing, Grimsby Park

## Grimsby Park • Is unequalled as a Canadian • Summer Resort

The location of this beautiful Park of 100 acres is all that can be desired by those who seek a charming summer home. The attractions this season (1891) have never been equalled. That the best **educational** advantages are combined with healthful **recreation** and absolute *rest* (if desired), should not be overlooked. These things, together with the best **religious teaching** from **pulpit** and **platform** that this Continent can produce, have done much towards building up this, the largest and most numerously attended summer resort in Canada. We ask you to scan our programme found in these pages and make your arrangements at once to spend a few weeks here. The earlier this is done the better, as it gives time for the management to meet as far as possible your wishes. This little book will be found full of information, and once in your possession ought not to be mislaid.

### Natural Attractions

**One hundred acres** of forest and meadow-land.

A **Grove** of wonderful variety of foliage, large area, and great beauty and luxuriance of shade.

A **Lake Frontage**, open to the delightfully cooling water-breeze, and commanding a magnificent view.

An **unequalled beach**, safe in every respect, and affording the best possible opportunity for bathing and boating.

### Provided Attractions

**Beautiful Walks and Avenues** lead through all parts of the grounds.

The Park is **brilliantly lighted** with electricity.

A **system of waterworks** carries the water to each cottage, and wells of pure water abound.

**Flowers** of rich variety and hue bloom in the **Central Park** and adorn the Cottage Homes.

**Baseball, Laerosse and Lawn Tennis** grounds are provided.

Ample **Picnic** grounds are set apart for the use of excursion parties, and furnished with tables, seats, swings, etc. Sunday Schools admitted free during month of July.

**Boating, bathing, and fishing** abound. Boats and bathing suits can always be obtained.

**Recreation Days** are appointed with innocent and invigorating sports for young and old.

Steamer Carmona

## Steamboat Connection

The splendid, safe, large and electric lighted steamer "**CARMONA**," with excellent cabin and deck room, will leave Toronto daily at 2 p.m. for the Park; returning, will leave the Park at 5.30 p.m. for Toronto during June and July. During the month of August the "**Carmona**" will make *two* round trips daily, leaving Toronto at 7.30 a.m. and 2 p.m.; returning, will leave the Park at 10.30 a.m. and 5.30 p.m.; arriving in Toronto at 1.30 p.m. and 8.30 p.m. Tickets can be obtained of W. A. Geddes, 69 Yonge Street, or at steamer's office on wharf, at following rates: Toronto to Grimsby and return same day, 60c. each; Toronto to Grimsby and return, good for season, 75c. Wednesdays and Saturdays, 50c. each. Family Book Tickets, \$4.00 each. **Tickets by this steamer include entrance to the Park.** Waiters will meet the trains and boats to look after baggage. For Railway Rates and Time Table, see 2nd page of cover.

## Entrance Fees

These are placed at the lowest possible figure—10c. per day in June and July, 15c. per day in August—that all may have the opportunity of enjoying the Park. Nowhere else can so much be obtained at so low a rate. Purchasers of tickets are requested to read what is thereon. The directions are explicit, and if observed will be most satisfactory. See Table of Fees, 2nd page of cover.

## Sanitary Regulations

The sanitary condition of the Park is carefully guarded in every particular. All cottagers and residents are asked strictly to observe the printed Rules on Health. Excursion and picnic parties are expected to spread their tables on the Picnic Grounds.

## Educational Advantages

The **Ontario School of Oratory** holds its Summer Sessions here from July 6th to August 15th. See page 14 for address of Secretary.

A course of ten lectures by Rev. Prof. Alf. W. Wright, D.D., of Boston. See page 9.

**Instructions are given** in Vocal and Instrumental Music by Mr. T. C. Jeffers, of Toronto. Also a **Calisthenic Class** free for the young folk throughout the season; Miss Wallace, of Toronto, teacher.

A **Kindergarten** School, also, open during July and part of August.

## Accommodation

Two large and well furnished hotels are open through the season, affording every accommodation needed at moderate rates—the **Lake View House** and **Park House**—both under the management of the well known and popular proprietor, Mr. O. C. Graves. See page 13.

Entrance Gate to Grimsby Park

## The Temple

Is without doubt the most unique structure of its kind on the Continent, unsurpassed in beauty and adaptability to the end designed.

## The Season's Programme

A glance at the Programme will assure all of its great excellence. No reasonable expense is spared to furnish a rare intellectual feast. **Sermons, Lectures, Readings, Concerts, Entertainments (Elocutionary and Spectacular)**, all have their place. The aim of the Directors is so to blend instruction and recreation that the highest good of all may be served.

## Social and Religious Influences

Grimsby Park is the **Children's Paradise**—safe—healthful—joyous. It is an inspiration to see the children play.

Grimsby Park is a **Home Resort**. Families enjoy the pleasure of real home life—quietude when needed, social enjoyment when desired.

Grimsby Park is the **centre of moral and religious influence**. Every effort is made to guard against the introduction and existence of any form of evil. All unseemly conduct and language are forbidden. The gates will be closed at 10.30 p.m. All are expected at that time to be in their homes. A careful patrol of the grounds is made every night. From the beginning of the season Sunday Services are held with as much quiet and sacredness as in city or town. Sunday School and Bible classes are organized. A weekly Prayer Service is established. The Special Programme in August has for its great design the building up of character and the consecration of life to God.

A **Provision Store, Refreshment Stand, Butcher's Stall, Market, Drug Store, Book Store, Post and Telegraph Office, and Photograph Gallery** are open during the season.

## THE DIRECTORS OF THE ONTARIO METHODIST CAMP GROUND CO. HAVE ISSUED DEBENTURES

Payable in ten years, with interest at six per cent. per annum, payable half yearly, by means of coupons, which interest will be payable upon presentation of such coupons at the Head Office of the Imperial Bank (or through any of its agencies, without charge), the principal being payable at the Head Office of the Imperial Bank at the end of ten years, the Directors reserving the option, however, of calling in the Debentures at the end of five years.

There are Cottages now on the Company's grounds, owned by private individuals, costing over \$100,000. These Debentures offer a good and safe investment, and interest as well as the principal will be promptly paid. A few thousand dollars may still be had.

## MR. CHAS. D. KELLOGG

Whose wonderful power as a Bird  
Warbler and Whistler

has surpassed all other attempts in this direction, attracting the attention of musicians, press, and public everywhere, has developed his gift under most careful tuition.

He has warbled by closing the lips perfectly tight and sending the sound through the nostrils, producing high harmonic tones, reaching two octaves above D in Alt. so that an audience of eight thousand people could distinctly hear him. (This feat was accomplished at Chautauqua, N.Y., Aug. 7, 1890). Mr. Kellogg produces the notes of various birds and blends them in all the confusing and commingling harmony of the unrivaled nightingale.

It was so entirely unlike anything ever heard before, and yet so beautiful, that the audience sat as if enchanted until he had disappeared from view.—*Syracuse, (N.Y.) Herald.*

To hear Mr. Kellogg whistle, one would think that he had robbed the most gifted plumaged warblers of their wonderful notes of song. The audience was enraptured with his trills and quavers.—*Buffalo Times.*

Mr. Kellogg gives one evening, August 18th, at Grimsby Park, returning from Europe in time to fill this engagement. I heard Mr. Kellogg in Syracuse, and will add, the above commendations are merited. All may confidently look for a rare and delightful entertainment. He can, in Grimsby Park Temple, be heard by 10,000 people distinctly.—

*Manly Benson.*
